How the Heritage Oak Wine Club Works

By signing up, you agree to subscribe to our club for at least one year. During that year, we will send you one shipment of wine approximately every three months of the size you designate. Shipping months will be March, June, September and December.

Prior to each shipment, you will receive an email announcement listing the wines scheduled for shipment along with any other wines that are available. If you would prefer to change the order to include the other wines, you may do so simply by responding to the email. If we don't hear from you otherwise, the shipment will be mailed as announced.

After the shipment has been sent, we will charge the credit card you have provided us with for the wine, shipping and handling. Two bottle shipments are generally between \$35 and \$45 plus S&H. Wine shipments picked up at the winery will not be charged for shipping.
