

Paint Party at Heritage Oak

Featuring art instructor Jacqueline Stone
Saturday August 19, 2017 from Noon to 2:00 PM

With a glass of wine in one hand, let your creative side burst open with the paint brush in the other. And there's no better way to pass an afternoon than spending time learning something new.

On this day, Jacqueline Stone, a talented local artist and art instructor, will take you through the process of creating your own painting such as the one shown here. The \$40 fee includes all materials and a glass of Heritage Oak wine. Reservations are required. To insure your place, simply return the attached form to our tasting room or email it to info@heritageoakwinery.com before Thursday, August 17.

Please note, guests are invited to bring their own picnic. Wine will be sold by the glass or bottle. Must be 21 years or older to participate.
